MEMORANDUM FOR: MR. ROBERT E. LONG, Assistant to the Director

SUBJECT : Items for Discussion, PSB Informal Meeting 8 July 1953

1. Attached is the agenda for the PSB meeting on Wednesday, July 8. Item one is a report by General Smith on the investigation to date by the State Department of the question of food relief for East Germany. You will remember that this subject was proposed by Mr. Dulles as part of the discussion of Item three at last week's meeting. Also attached is a memorandum from EE Division outlining developments on this subject during the past week.

2. The second item was placed upon the agenda at the request of C.D. Jackson. George Morgan reported at Monday's PSB Staff Meeting that Admiral Nimitz has been considered as a possibility for this mission. I have discussed the subject with representatives of FE Division who think the idea is a good one and that Admiral Nimitz would be a suitable representative.
